## SCIENCE & TECHNOLOGY DEPARTMENT

### RESOLUTION

The 6th September, 2024

#### **SUB: OPERATIONAL GUIDELINES ON BIOTECHNOLOGY PARKS UNDER ODISHA BIOTECHNOLOGY POLICY 2024.**

*(Science & Technology Department Resolution No - 393-ST-BT-MISC-0026/2022/ST., dated the 25th January, 2024) (See Para 5 of Odisha Biotechnology Policy, 2024)*

A. **Short Title:** - Operational Guidelines for Capital Grant for **Biotechnology Parks on Private or Government land** under Odisha Biotechnology Policy 2024 will follow the provisions of Operational Guidelines published by Industries Department, Government of Odisha for **Private Industrial Park** under Industrial Policy Resolution 2022 (IPR 2022) with the following modifications/ substitutions:

1. **Commencement:** -- This OG shall come into force from the "Effective Date" of Odisha Biotechnology Policy 2024 i.e. dated 25th January, 2024.

2. **Policy Provisions as per OBP-2024:** -

**Investment for Biotechnology Parks on Private or Government land:**

I. The Policy provides support for development of common infrastructure within biotech parks promoted by State Agencies or Private Sector with a **minimum land area of 20 acres**. Such support will be provided in the form of capital grant (excluding land) limited to 30% of the cost of such infrastructure including green measures subject to **maximum of Rs.100 crore per park**.

II. The above capital grant is also applicable in case of Biotechnology Parks which have commenced fixed capital investment before the effective date of this policy and shall complete all common infrastructure within this policy period provided no such incentive has been availed for such common

infrastructure in the past. The capital grant shall be extended for investment made after effective date of this policy and the details regarding common infrastructure will be as per operational guidelines for this capital grant.

3. **Eligibility:** - Provisions of OG for Industrial Park under IPR-2022 will apply to OBP-2024 with the following modifications: **“Biotechnology Parks on Private or Government land in the State with a minimum land area of 20 acres”**.
4. **Provision of Funds:** - Such support will be provided in the form of capital grant (excluding land) limited to **30%** of the cost of such infrastructure including green measures subject to maximum of **Rs.100 crore per park**. Such Capital grant for Biotechnology Park shall be placed with IDCO by Science & Technology Department.
5. **Committees:** - In the SLEC or other relevant Committees, representative of S&T Dept. and Subject/Sector experts shall be included.
6. If the Biotechnology Park has availed similar financial incentive under any scheme of the State Government or the Government of India or Government Agencies or any Financial Institutions, it shall be eligible for the differential amount of benefit only.

This Operational Guideline follows all other provisions/ procedures as outlined in the **Operational Guidelines** published by Industries Department, Government of Odisha on incentives **for Private Industrial Park** (copy enclosed) under **Industrial Policy Resolution 2022 (IPR 2022)** with the above mentioned modified provisions in the context of Biotechnology Sector and shall be implemented by Industries Department through (Odisha Industrial Infrastructure Development Corporation) IDCO.
